RE: REVISED WARRANTY PERIOD FOR WIDE CONVERSION LENS (WCL), TELECONVERSION LENS (TCL) & EF FLASHES (EFFECTIVE 1 NOV 2014)

Dear Valued Consumers,

Kindly note that with effect from 1st November 2014, Fujifilm will amend the warranty period for our TCL, WCL and EF Flashes to **3months**.

We will not be printing any warranty cards for these models. Customers will need to retain their original purchase receipt from dealers as proof of purchase date.

Thank you for your understanding in this matter. Please do not hesitate to contact us should you have any clarifications.
